RE: Reconnaissance Level Characterization Report (RLCR) for Buildings 569 and 570 – Concurrence

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the RLCR for Buildings 569 and 570, Revision 0 dated May 16, 2003. Based on the information contained in the RLCR we are hereby concurring with the determination that Buildings 569 and 570 are Type 1 Facilities with the following condition:

The Building 569 RCRA Unit must be properly closed.

Since these facilities are still being used, a minimal investigation may need to be performed to confirm that contamination of these facilities has not occurred prior to initiating demolition activities. This final investigation should be coordinated with us utilizing the consultative process. This and any other issue that may be relevant to building demolition, such as disposition of below grade structures, should also be addressed utilizing the consultative process.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruchek at (303) 692-3328.

Sincerely,

Steven H. Gunderson
